Thank you for your support!

My name is Olinek Jóźwicki. I was born as an extreme preterm baby with a urinary tract defect, oxygen deprivation, retinopathy, and immaturity of the digestive system. I suffer from **quadriplegic cerebral palsy, a congenital kidney defect, autism spectrum disorder, and ADHD.**

I am already 9 years old: I cannot stand on my own, I do not walk, but despite significant delays in verbal speech, I have a wide vocabulary, I am very communicative, and I quickly absorb new knowledge. **I require constant physiotherapy, speech and language therapy, sensory integration classes, social skills training, occupational therapy, vision therapy, and psychological support. Also essential are extremely expensive orthopedic equipment, numerous medical visits, tests, and the ongoing use of costly medications.** But there is good news – despite many diagnoses, I have a chance to be independent in the future! However, this requires not only my hard work but above all enormous financial resources. The cost of my treatment and therapies unfortunately far exceeds the financial means of my entire family.

Fate gave me a 1% chance of survival. You can give me your 1.5%. For you, it's just a minute. For me, it's a lifetime.

By donating 1.5% of your tax to the Avalon Foundation with the note JÓŹWICKI, 15896, you support me in my daily struggles.
