Thank you for your support!

My name is Aleksandra Pluta. My body is being ravaged by chronic, progressive, and incurable systemic diseases, lupus and scleroderma, as well as a damaged spine. There are days when pain overwhelms me and takes away the strength in my hands, but it cannot break my spirit.

With these same hands, I hold my child close, play the violin, and, as a hospice volunteer, hold the hands of those who are nearing the end of their lives.

I am raising my daughter, and to provide for her, I returned to work. In October, I will begin studying psychology so that I can help others and give them hope.

Your 1.5% tax donation is a chance for me to afford the medication, treatment, and rehabilitation I need, enabling me to live, study, raise my daughter, and continue helping others.

Thank you for giving me this chance.
