Thank you for your support!

Hello,

Ania is a wonderful girl who has to face the challenges of the autism spectrum. In addition to diagnosed genetic defects and sensory integration disorders, Ania also struggles with congenital spine defects, which is why she uses an orthopedic corset every day, which she calls her Knight's Armor :)

We do everything we can to ensure that Ania's conditions do not disrupt her life, but unfortunately, the help offered by the National Health Fund (NFZ) is insufficient, and we have to rely on private rehabilitation.

Thanks to continuous therapy, Ania is making great progress, and we do not want to interrupt it due to a lack of funds.

By donating 1.5% of your tax or making a donation to the Avalon Foundation with the note JEŻAK, 16593 you give Ania a chance for proper development and support in her daily life.

*Thank you for your kindness.
