Thank you for your support!

Basia was born with cerebral palsy and has been working hard on her physical abilities since early childhood. After years of intense effort, she finally achieved something incredible - standing on her own two feet.

Basia spent much of her childhood in hospitals, where she found solace and joy in books, which became her lifelong passion. Today, her fight continues. Rehabilitation, medical equipment, and modern therapies are essential to her mobility and independence. Unfortunately, these treatments are costly and not covered by insurance.

### WE KINDLY ASK FOR YOUR SUPPORT

**By donating 1.5% of your tax or a contribution to the Avalon Foundation with the note Buczek, 7727, you help support Basia's rehabilitation and daily needs.**

*Your support means the world to Basia.
