Thank you for your support!

Hello, my name is Hania. I was born on August 28, 2016. During my birth, there was a lack of oxygen to my brain and asphyxia. As a result, I have cerebral palsy, microcephaly, and visual impairment. I have already been through a lot, but I remain a joyful optimist. I fall asleep and wake up with a smile on my face. Every day I work very hard during rehabilitation and vision therapy. I am fighting for myself and for my independence! However, none of this comes easily — it requires an enormous amount of work and financial resources.

**By donating 1.5% of your tax or making a donation to the Avalon Foundation with the note “Pinkowicz, 9475,” you are helping me in my fight for mobility and in my everyday functioning.**
