Thank you for your support!

Eye color? None.

I look at the world through a very narrow window that may close over time.

👁️ *Even this leaflet is hard for me to read.*

I was born with **aniridia**, a condition linked to several eye diseases, incl. glaucoma, cataracts. *Glaucoma has been gradually taking my sight for years.*

Today I see with only one eye and a very limited field of vision — legally I am considered blind. Despite that, I squeeze the most out of life. I graduated from university, work as a recruiter, stay socially active and care for animals. 🐾

Through my project **Indepandant** 🐼, I share kindness and inspiration. I show that the world can still be discovered with visual impairment — *independently, with courage, sometimes clumsily, but always with humor.* I encourage others to travel despite limitations.

🔍 My sight is slowly fading, but my curiosity about the world remains huge.

🌍 I dream of seeing as much of it as I can while I still can.

💛 Your **1.5% tax donation** helps me pursue my dreams and face everyday challenges. **Thank you for supporting my journey.** 🙏
