Thank you for your support!

My name is Jaś. Since birth, I have been struggling with various health issues. I have been diagnosed with pervasive developmental disorder (Asperger's syndrome) and bronchial asthma. Additionally, a microadenoma was found in my brain, and I was diagnosed with SNP, which is pituitary insufficiency. Every day, I will take growth hormone injections to overcome short stature.

Despite all the challenges, I am still a curious and cheerful boy who enjoys discussing with adults, although I don't always manage well in interactions with my peers.

Thanks to the funds raised, I will be able to receive help from many specialists and fulfill my dreams.

By donating 1.5% of your tax or making a donation to the Avalon Foundation with the note "OSTROWIECKI, 20236," you support me in my daily struggles.

Thank you very much for your support!
