Thank you for your support!

Before my diagnosis? Sports, goofing around, concerts, traveling. **My life was moving at maximum speed, and my energy exploded every single day** 😊

At the beginning of 2026, I was locked inside my house and hospital walls. Two extensive surgeries and exhausting chemotherapy took away my physical strength.

But... cancer attacked my body, but NOT my mind. My mental strength and stubbornness are running at 200%. I am no giving up on the old Karolina.

To get back to normal life, I need cash. Meds, supplements, ortho gear - it's a bottomless pit. I still face professional, expensive rehabilitation: scar tissue mobilization, a battle with my spine, and specialized medical training under a physiotherapist's eye, which costs thousands.

My subaccount has a clear goal: to fund my return to peak condition and regain full fitness. **My body crashed temporarily, but I'm just warming up.**

Chip in for my return to the track! **Pass it on, share, help me cross the finish line.** We are racing against time, and I intend to win this race!
