CHRISTOPHER – 9 YEARS OF COURAGE, JOY AND LOVE FOR LIFE 🌸

Christopher is 9 years old and lives with a rare neurometabolic disorder called Non-Ketotic Hyperglycinemia (NKH). His life is very different from that of most children. Every day brings new challenges, but Chris continues to show us something extraordinary — a strong will to live, to experience the world and to find joy in the smallest moments. Little Chris absolutely loves water. It is there that we see his happiness, peace and a little taste of freedom. ❤️

We simply want to give him the best life possible — with the medical care, treatment, rehabilitation, equipment, comfort and beautiful moments he deserves.

Your support helps us make this possible. Every donation, no matter how small, gives him more comfort, more opportunities and more precious moments. Chris has so much life and love in him.

Please help me while I'm still here.

Thank you from the bottom of our hearts for being there for Christopher and our family.
