Thank you for your support!

Hello!

My name is Marcin. During my studies abroad, in June 2013, I came back to my family home for a one-week vacation. It was during that time that something happened which completely changed my life - AN ACCIDENT.

After a tough fight for my life and a slow, difficult recovery, 12 years after the incident, I no longer need a team of people to help me sit in a wheelchair. But... I NEED financial support for ongoing treatment and rehabilitation.

If there is still any chance for me to walk on my own legs again, it certainly depends on specialized treatment and proper, professional rehabilitation - and these things also depend on financial resources.

The life of a person with a disability is neither easy nor cheap. That's why I am KINDLY ASKING FOR YOUR SUPPORT - even a small donation from you can make a big difference for me.

It may not be much for you, but for me, it is incredibly valuable - it allows me to plan and CONTINUE MY TREATMENT AND REHABILITATION.

I assure you that not a single penny will be wasted.
Thank you from the bottom of my heart for your support!
