Thank you for your support!

My name is Marysia. I am 30 years old. Since birth, I have been living with spina bifida and associated hydrocephalus.

I use a wheelchair to get around. In my daily life, I face architectural barriers and a lack of acceptance from healthy people. Despite these challenges, I am a cheerful and smiling person who knows how to enjoy each day. I also hold a master's degree and work as a Russian language specialist with a focus on translation.

I am reaching out to all kind-hearted people and encouraging you to make donations that will help improve my quality of life and allow me to fulfill my dreams.

If you would like to help, you can make a donation to the Avalon Foundation with the note "Masalska, 20648."

Thank you very much for your support.
