About Me

My name is Mariusz. In 2006, I was involved in an accident that caused extensive injuries, including a multi-fragment fracture of the pelvis, fractures to the lumbosacral vertebrae, and a severed femoral-popliteal artery.

As a consequence, I suffer from partial paralysis and poor blood supply to my limb. I also underwent hip joint endoprostheses surgery. Ahead of me lies continuous rehabilitation and many years of struggle to maintain the condition of the prosthesis. In 2023 I underwent a vascular surgery which failed, resulting in an occluded femoral-popliteal artery and chronic, hard-to-heal arterial ulcers on my foot. The cost of medicines and dressings is enormous. My financial situation is difficult.

I would like to be able to travel the country / world and climb peaks, which is currently prevented by my wounds and the costs I bear. Therefore I ask for your support.

By giving 1.5% of your tax or a donation to the Avalon Foundation with the note "Przybysz, 1702," you help me with daily functioning and the fight for mobility.
