#### About me

Mirek (54), September 2022, new diagnosis: Spinal Bulbar Muscular Atrophy (Kennedy's Atrophy).

My life has changed. It's a disease with no cure and leads to muscle atrophy. Only rehabilitation and special equipment can make life easier and longer. The costs are high, and I have to choose which treatment to choose. I have a loving family: my wife and two children. They constantly motivate me to stay active as long as possible.

**By donating to the Avalon Foundation with the note DZIUBEK, 13692, you support me in my daily struggles, helping me fight to slow down the disease and live longer.**

Thank you all for your support, Miroslaw Dziubek
