Thank you for your support!

Give Patrycja Kozaryn a world full of sound!

Please donate 1.5% of your tax or make a direct donation.

Our daughter Patrycja is a second-year high school student who dreams of studying medicine. She was born with profound hearing loss in both ears. To communicate freely, continue her education, and manage everyday life safely and independently, she relies on specialist hearing aids, batteries, regular equipment maintenance, and hearing and speech therapy.

Unfortunately, the cost of replacing her hearing aids is beyond our family's financial means. The funds raised will help us purchase modern specialist hearing aids and the essential accessories she needs.

Your support will give Patrycja a better chance of an independent future, help her pursue her dream of studying medicine, and allow her to experience the world of sound more fully.

Every gesture of support makes a huge difference!
