**For more than 20 years I have been paralyzed after an unfortunate accident.**

In my daily life I need constant rehabilitation and specialized equipment that allows me to move around and take care of all necessary matters. First of all, I would like to sincerely thank everyone who has so far donated 1.5 % of their tax, sent paid text messages, and supported me with donations. Thanks to your help, I was able to purchase an electric attachment for my wheelchair.

**I am now turning with a heartfelt request to all people of goodwill who do not have or do not know whom to give their 1.5 %tax to.**

I am raising funds to buy a new wheelchair. My current wheelchair is more than 15 years old and unfortunately causes more and more problems.

**This is why once again I am kindly asking for support in purchasing a new one. Every contribution means a great deal to me.**
