Thank you for your support!

My name is Sandra Błachowicz. Since birth, I have been living with quadriplegic cerebral palsy. This condition causes increased muscle tension, known as spasticity, which makes daily functioning difficult and may eventually lead to a life in a wheelchair.

In May 2015, I underwent a major surgery called Selective Dorsal Rhizotomy (SDR) to reduce spasticity. To prevent the spasticity from worsening, or at least to slow its progression, I need continuous and systematic rehabilitation, which is unfortunately very costly. The funds I manage to raise with your help will be used for exercises and further improvement.

Every 1.5% of your tax or donation to the Avalon Foundation with the note "Błachowicz, 18622" is one more step towards my independence and better health.

Thank you for any help you can provide!
