Thank you for your support!

My name is Stanisław Jeznach, and I am 46 years old. I have lived in Czerwińsk since birth. Until April 2018, I was a happy man, a husband, and a father of three sons. I had a job, enjoyed life, was full of energy, and had many plans for the future. Unfortunately, on April 6th, my life changed dramatically. I had an accident that resulted in broken cervical vertebrae and a damaged spinal cord. The doctors' diagnosis terrified me and my loved ones - quadriplegia.

I fought for my life every day. After several months in the hospital, my vital parameters stabilized enough for me to return home. Unfortunately, frequent infections force me to constantly visit specialists. I undergo continuous and intensive rehabilitation, thanks to which I can now move my hand and keep my head upright. I am entirely dependent on the care of others. I know that a long and hard journey lies ahead in dealing with my disability, but I have someone to fight for.

Unfortunately, there are many barriers on the road to recovery: costly rehabilitation, specialized equipment, treatment costs, medications, and rehabilitation stays. These expenses far exceed my family's income.
