Thank you for your support!

Meet **LAURA** and **WIKTOR**

They don't speak - that's true.
But don't worry - a single look from them can say more than pages of words ever could...
They don't always do what we expect them to.
But very often, they do things no one would ever expect!

They have a world of their own.
Their own pace.
Their own rules.
And they definitely have opinions of their own - even if they can't voice them.

And their parents?
They've earned a PhD in patience, a master's degree in organisation, and a specialisation in making the impossible happen...

Every day brings therapy, rehabilitation, exercises and small steps. And we love small steps - especially the ones that move us forward.

Your support can help fund more therapy, more rehabilitation, another intensive rehabilitation programme - and another big smile! :-)

THANK YOU! <3
